

Who Am I?

I go on and on.
Endless. Tireless.

I am the Past,
The Now,
And the Future,
Yet I remain uncertain.
I go on and on.
Endless. Tireless.

I am the religion.
Godless.
Followed by all,
Bookless.
I go on and on.
Endless. Tireless.

I am the Birth,
Beginning of Everything,
The Starting Point,
Yet I was never born.
I go on and on.
Endless. Tireless.

I am the death,
Ending of Everything,
The Finishing Line,
Yet I will never die.
I go on and on.
Endless. Timeless.

I am the Justice,
Consequences of your actions,
Server of Karma,
Never thanked. Never seen.
I go on and on.
Endless. Tireless.

I am a traveller,
A Wanderer,
Leaving no footprints behind,
Never standing still.
I go on and on.
Endless. Tireless.

I am immortal,
Indestructible,
No beginning,
No ending,

I go on and on.
Endless. Tireless.

I am never right,
I am never wrong,
Still always defined
As one of the two.
I go on and on.
Endless. Tireless.

I am the healer,
Mender of wounds,
Of souls,
Of the heart.
I go on and on.
Endless. Tireless.

I am the punisher,
Inflictor of wounds,
Of scars,
Of sorrow.
I go on and on.
Endless. Tireless.

I am the Creator,
The Craftsman,
The Maker,
The Agent of Evolution.
I go on and on.
Endless. Tireless.

I am the Destroyer,
The Craftsman,
The Undertaker,
The Agent of Evolution.
I go on and on.
Endless. Tireless.

I am the Angel,
Your Protector,
Your Friend,
Bringer of Good Luck.
I go on and on.
Endless. Tireless.

I am the Devil,
Your Attacker,
Your Enemy,
Bringer of Bad Luck.
I go on and on.
Endless. Tireless.

I am your memory,
Your favourite dream.
I am your memory,
Your worst nightmare.
I go on and on.
Endless. Tireless.

I am Everything,
Nothing exists without me,
I am Nothing,
Everyone exists without me.
I go on and on and on.
Endless.
Tireless.
